# DairyMin® 5 Chelate Southland Custom Blend

Donaghys DairyMin® 5 Chelate Southland Custom Blend is a liquid custom blend of trace element minerals made to customer's requirements.

## INDICATIONS

This product is designed specifically for dairy cows, formulated to the customer's requirements to include the following mineral levels:

	mg per 5ml dose	mg per ml		mg per 5ml dose	mg per ml
Zinc	250	50	Cobalt	10.0	2.0
Copper	100	20	Selenium	15.0	3.0
Iodine	8	1.6			

## DOSE RATES

Administer DairyMin® 5 Chelate Southland Custom Blend at 5ml per cow per day, from approximately one month prior to calving through to the end of mating. Depending on individual herd nutritional requirements, DairyMin® 5 Chelate Southland Custom Blend may be continued post-mating through lactation.

SHAKE or STIR well before administering through a calibrated dispensing system.

FOR DAIRY COW USE ONLY. DO NOT ALLOW SHEEP OR GOATS TO INGEST THIS PRODUCT.

DO NOT EXCEED THE STATED DOSE AND FREQUENCY EXCEPT UNDER ADVICE FROM VETERINARIAN OR NUTRITIONAL ADVISOR.

**Some minerals in this formulation are at a higher level than other Donaghys standard minerals. These have been specifically requested by the customer.**

## CAUTION

DairyMin® 5 Chelate Southland Custom Blend is a high mineral content product. The following cautions are advised:

- Do not give this product to cows with liver damage.
- Do not use where the domestic house water supply is directly connected to the farm water trough system.
- Do not use at the same time as other supplements or fertilisers which contain Copper or Selenium, without the advice of a veterinarian.

## HANDLING

Keep out of reach of children. Read label before use. Avoid breathing mist/vapours/spray. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. In case of inadequate ventilation wear respiratory protection. Wear protective gloves/protective clothing/eye protection/face protection. Avoid release to the environment. Collect spillage.

## STORAGE

Store locked up with container tightly closed. Store out of direct sunlight.

## DISPOSAL

Preferably dispose of product by use. Otherwise dispose of product, packaging and waste at an approved landfill or equivalent facility in accordance with local, regional and national environmental regulations.

## FIRST AID

**IF SWALLOWED:** Rinse mouth. Call a POISON CENTRE or doctor/physician if you feel unwell. If medical advice is needed, have product container or label at hand.

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTRE or doctor/physician.

**IF INHALED:** If breathing is difficult, remove to fresh air and keep at rest in a position comfortable for breathing. If experiencing respiratory symptoms: Call a POISON CENTRE or doctor/physician.

**IF exposed or if you feel unwell: Call a POISON CENTRE or doctor/physician
