DONAGHYS HYPO

Liquid cleaner and sanitiser for use as a booster in alkali wash or used for the removal of dairy soil from walls, floors and pipe work

DANGER

READ LABEL BEFORE USE

HANDLING PRECAUTIONS

Do not breathe dust or mists. Wash contaminated skin thoroughly after handling. Avoid release to the environment. Wear protective gloves/protective clothing/eye protection/face protection. Collect spillage.

DIRECTIONS FOR USE

General dairy shed cleaning, floors, walls and pipe-work add one litre of HYPO to three litres of water.

To boost sanitizing of Alkali cleaners (CIRCOMATE) add one litre of HYPO for every 1kg Alkali used.

Food surfaces must be thoroughly rinsed with potable water before production starts.

Hypo is not to be used for water treatment of milking machine sanitation once the Best Before date has passed.

STORAGE

Keep only in original container, tightly closed, away from foodstuffs. If required store in corrosive resistant container with a resistant inner liner. Keep out of direct sunlight. Store locked up in a cool place.

Hypo should not be stored at the farm dairy once the Best Before date has passed.

DISPOSAL

Preferably dispose of product by use. Otherwise dispose of product, packaging and waste at an approved landfill or equivalent facility in accordance with local, regional and national environmental regulations. Donaghys is a member of Agrecovery Container Recycling programme. For details on how to correct prepare your container and collection sites please visit www.agrecovery.co.nz

FIRST AID

If medical advice is needed, have product container or label at hand.

IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. Call a POISON CENTRE or doctor/physician if you feel unwell.

IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

IF INHALED: Remove person to fresh air and keep comfortable for breathing. Immediately call a POISON CENTRE or doctor/physician.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTRE or doctor physician.

National Poisons Centre 24 hours phone:

0800 POISON (0800 764 766)
