DONAGHYS UDDERMATE

Teat sanitiser with added emollient to assist in the control of mastitis and maintenance of teat condition in Dairy Cows

WARNING

READ LABEL BEFORE USE

Wear protective gear including gloves, protective clothing and eye protection. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Do not breathe spray or vapour. This material may be harmful if swallowed. Avoid direct contact of the concentrate on skin or eyes. Rinse with cold water for first aid.

For animal treatment only.

DIRECTIONS FOR USE

Mix one part UDDERMATE teat sanitiser with nine parts clean water. After milking, thoroughly spray the udder area to ensure all over cover of cows teats. In extremely muddy or dry conditions, up to 10% of the water in the mix may be replaced with EMOLAN to prevent teat skin damage.

It is recommended to spray cows teats after each milking throughout the dairy season to assist in the control of mastitis.

By law the user must take due care, obtaining expert advice when necessary, to avoid unnecessary pain and distress when using the product other than as directed on the label.

STORAGE

Keep only in original container, tightly closed, away from foodstuffs. If required, store in corrosive resistant container with a resistant inner liner. Keep out of direct sunlight. Store locked up in a cool place.

DISPOSAL

Refer to Waste Management Authority. Dispose of material through a licensed waste contractor. Dispose of this material and its container to a hazardous or special waste collection point. Avoid release to the environment. Absorb spillage to prevent material damage.

FIRST AID

If medical advice is needed, have product container or label at hand.

IF SWALLOWED: Do NOT induce vomiting. Rinse mouth and drink plenty of water. Call a POISON CENTRE or doctor/physician if you feel unwell.

IF ON SKIN (or hair): Wash with plenty of soap and water. If skin irritation occurs: Get medical advice.

IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing. If feeling unwell call a POISON CENTRE or doctor/physician.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice.

IF exposed or if you feel unwell: Call a POISON CENTRE or doctor/physician.

National Poisons Centre 24 hours phone: 0800 POISON (0800 764 766)

200 Litre
