PERFORMANCE FIRST

## GIVE YOUR BREEDING FLOCK A LIFT!

ProEwe Gold is a high Iodine mineralised probiotic digestion enhancer, formulated to give ewes a boost at important times such as pre-tupping and pre-lambing, feed change and other strategic times. The product can also be used with rams.

### READ LABEL BEFORE USE

Wear eye protection and protective gloves

### INDICATIONS

ProEwe Gold has a two fold strategy:

- To promote beneficial rumen microbes and to aid in enhancing digestion
- To give stock a boost of essential minerals and vitamins

Each 7ml dose is formulated to contain 85% rumen probiotic plus 4mg of Cobalt, 40mg of Zinc, 120mg of Iodine, 1mg of Selenium, 9000IU of Vitamin A, 3000IU of Vitamin D, 200mg of Vitamin E, as bottled at the factory.

### DOSE RATES:

Shake well before use. Apply by oral dosing, using correct drenching technique.

**Ewes:** 7ml per head, at pre-tupping, pre-lambing, during brassica feeding and other strategic times.

**Rams:** 7ml per head, as strategic dosing.

THIS PRODUCT IS NOT FOR LAMBS.

Do not use at the same time as other products which contain selenium, without the advice of a nutritional advisor or veterinarian.

### STORAGE

Store out of direct sunlight, at room temperature (25°C) or below. Keep container tightly closed. Product may be harmful to humans/aquatic organisms. Avoid ingestion, inhalation and contact with skin or eyes.

- Wear protective clothing, including rubber gloves and eye protection
- Prevent from entering waterways
- Keep out of reach of children

### FIRST AID:

If medical advice is needed: Have product container or label at hand.

**Ingestion:** Give water to drink. If vomiting occurs give more water. Seek medical attention.

**Eye contact:** Flush eye with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists seek medical attention.

**Skin contact:** Wash skin with soap and water. If skin irritation occurs get medical attention. Wash contaminated clothing before re-use. Get medical advice if you feel unwell.

### CAUTION:

**NOT FOR HUMAN CONSUMPTION  
KEEP OUT OF REACH OF CHILDREN
