## OUR SEASON

## Price Guarantee

**1 APRIL 2025 - 31 MARCH 2026**

Due to pressures from exchange rate fluctuations, raw material shortages, shipping, transport, fuel costs and global uncertainty, businesses are finding it impossible to maintain prices for any length of time.

At Donaghys we've recognised the need, in difficult times, for New Zealand farmers to have surety over costs. For this reason, Donaghys will guarantee to hold your price on any committed orders, through until 31<sup>ST</sup> March 2026. (with the exception of some Agchem products that will only have pricing held until 31<sup>ST</sup> of December 2025)

While our prices might change during the season, yours will stay the same.

### **Are your other suppliers offering you the same guarantee?**

*The season is defined as being 1<sup>ST</sup> April 2025 to 31<sup>ST</sup> of March 2026.*

### **How the Pricing Works**

- The Price Tier levels (<\$4,999, \$5,000 - \$7,999 etc), are at Retail Tier Pricing excluding GST.
- A Customers order value is calculated using the Tier 1 values to determine which Price Tier they fall into.
- The discounted rates from that Price Tier can then be applied to the Customer to calculate the actual charge to the Customer and their savings.

### **Terms and Conditions**

- The Donaghys Discount Deal is valid for orders placed from the 1<sup>ST</sup> of April through to the 31<sup>ST</sup> of August 2025.
- All of Donaghys Dairy farm inputs are eligible for inclusion towards qualifying orders with the exception of Rope and Cordage.

- Products included in any other promotion or at RRP different from the Donaghys Tier price list are excluded from this offer unless explicitly stated otherwise.
- Deliveries must occur before 31<sup>ST</sup> of March 2026 and be delivered to a NZ farm or other location as agreed between the Customer and Donaghys.
- Timing of deliveries to be agreed between the Customer and Donaghys.
- Deliveries direct to farm for only \$50 per delivery.
